

## **Portable Sanitation Route Driver**

### **Seasonal Position | April–September**

*(Potential for part-time winter work)*

*Pay Range: \$18–\$20 per hour*

#### **Job Summary**

Buffalo River Johns is seeking a dependable Seasonal Portable Sanitation Route Driver to drive service trucks to various job sites to deliver, pick up, clean, and maintain portable sanitation units. This position requires representing Buffalo River Johns in a friendly and professional manner while communicating any problems, potential issues, or accessibility concerns to a supervisor in a timely manner.

#### **Duties & Responsibilities**

- Drive company vehicles to deliver, pick up, and service portable sanitation units
- Clean, empty, and maintain units to Buffalo River Johns standards
- Safely operate company vehicles and equipment
- Perform daily vehicle inspections and report any issues to a supervisor
- Complete, sign, and submit all required daily paperwork
- Communicate problems, needed repairs, or unit accessibility concerns

#### **Experience**

- Prior experience preferred but not required
- On-the-job training provided

#### **Skills & Abilities**

- Ability to speak, read, and write English
- Good communication skills
- Ability to work independently and responsibly

#### **Requirements**

- Must be 18 years of age or older
- Valid driver's license with a good driving record (no points on DMV record)
- Willing and able to work early mornings and weekends
- Available for the full seasonal period April–September

#### **Physical Requirements & Working Conditions**

- Work performed outdoors in all weather conditions
- Ability to lift and move portable sanitation units
- Ability to pull and carry service hoses from truck to unit
- Physically demanding, hands-on work

*Buffalo River Johns is an employee-at-will employer. This job description is not a contract and duties may change to meet business needs.*
